

Important information for renewal

The Board will only require 12 hours of continuing competence for physical therapists and 8 hours of continuing competence for physical therapist assistants for the 2014 renewal cycle. (After September 30, 2014, the full 24 CCU's for physical therapists and 16 CCU's for physical therapist assistants will be required every two years.)

All new education requirements will be cut in half for the 2014 renewal to make it easier for all licensees. (this will only be in affect until September 30, 2014).

All education taken between October 1, 2012 and September 30, 2014 will be acceptable for your 2014 renewal

If you need to have your education approved because it is not on the approved list. You will not be required to submit 90 days prior to taking the course but should submit it 90 days prior to renewal on September 30, 2014. (This requirement will only be for future renewals after September 30, 2014)
